Life Tree Products HomeSoap All-Purpose Cleaner

Home Soap is the most versatile soap ever made! Can be used for hundreds of purposes at Home, at work or anywhere else. Use Home Soap to shampoo the dog, wash the car, degrease the barbeque grill, wash fruits and vegetables, or for anything else you would use a soap for. It is an extremely effective grease cutter, but gentle on sensitive skin. 32 fl oz.

Life Tree Products Dishwashing - Ultra Dish Dishwashing Liquid

This super-concentrated formula requires just a few drops for an entire sink full of dishes. This higher concentration requires less packaging and cuts down on the weight. Contains aloe and herbal extracts to soothe and protect hands. Packaged in post-consumer use recycled bottle. 16 fl oz.

Life Tree Products Household Cleaners - Fresh & Natural Bathroom Cleaner

Tea Tree + Lavender Oils give this versatile and highly effective cleaner a delightful herbal scent. And they do much more! Highly concentrated to clean and deodorize any washable surface, even items that come in contact with children and pets. Quickly and easily removes dirt and grime. Cleans and deodorizes your whole house. Works well on anything washable. Safe for cleaning nurseries and children's toys. Environmentally Safe: Apply Fresh + Natural Bathroom Cleaner directly to damp sponge, cloth or scrub brush to clean toilets and bathroom fixtures, surfaces with mold or mildew or heavily soiled areas. Add to Water: For washing floors, walls and other surfaces, dilute 1 tablespoon of Fresh + Natural Bathroom cleaner per gallon of warm water. Mop or sponge on. Wipe dry. 16 fl oz.

Life Tree Products Household Cleaners - Fresh & Natural Cleaner

The fragrant and effective oils of Australian tea tree and pure French lavender are combined with environmentally safe dirt and grease cutters in this all-purpose spray-on cleaner. Helps control odors naturally. Cleans and deodorizes most washable surfaces. Safe for use on surfaces that come in contact with children and pets. 24 fl oz. spray bottle

Baby Laundry Soap

Our new Baby Laundry Soap is a hypo-allergenic, everyday laundry soap containing only the highest quality ingredients. Gentle enough for baby's sensitive skin, Baby Laundry Soap rinses thoroughly, leaving baby's laundry clean and soft. As always, it is plant-based, non-toxic, and environmentally responsible. Baby Laundry Soap employs soothing chamomile and lavender essential oils, and is suitable for hand-washing wools, silks, and other fine washables. 53 fl oz.

OXO Brite Non-chlorine Bleach

OXO BRITE is safe for colors, a non-chlorine bleach, OXO BRITE harnesses the incredible power of oxygen to whiten, brighten and deodorize your laundry and fabrics. OXO BRITE effectively removes most organic stains. These features make OXO BRITE a natural laundry additive to be used with every washload or as a soak cleanser. 3.6lbs

Zainz Laundry Pre-wash

Our Laundry Pre-Wash is a concentrated all natural biodegradable stain remover for most fabrics. Best results when the stain is treated before they dry and launder as soon as possible. Works on food, coffee, blood, dirt, and oil. No SLS. This is a great item to compliment our ECOS laundry detergents. Comes in a number 2 HDPE bottle. 100% biodegradable, no phosphates. 22 fl oz.

Ecos Free & Clear Liquid Laundry Detergent

ECOS Free & Clear has the same load yields as our regular ECOS, but does not contain any essential oils for fragrance, nor does it contain any soy based fabric softener or cellulose optical brighteners. ECOS Free & Clear is for people with strong sensitivities to fragrance, fabric softeners, or cellulose optical brighteners. The Ph for ECOS Free & Clear is neutral. No coloring is added. Because natural ingredients are used color and consistency may vary. ECOS Free & Clear can be used in front loaders and high efficiency wash machines. ECOS Free & Clear can be used in grey water systems and is septic system safe. 50 fl oz.

Ecos Liquid Laundry Detergent

Value and performance have not always been qualities of environmentally-responsible products. But, ECOS, a concentrated liquid laundry detergent provides better price performance than the competition. ECOS cleans a full laundry load with only two ounces, Can be used in front loading and HE machines. It has a built-in soy based fabric softener and cellulose based optical brightener. Specify Lavender, Lemongrass, or Magnolia & Lilies. 50 fl oz.

To-Go Ware 2 Tier Stainless Steel Food Carrier

This 2-tier tiffin (a nifty lunch box system that hails from India) is reusable, lightweight, and has a lid that doubles as a plate. It's easy to carry and clean, but hard to live without. Great for both cold or hot food, and the planet, too.

Fold down the handle to make it compact and easy to store. Perfect for work, school, picnics, or a night out (makes for a stylish doggy bag).

There's nowhere it won't go...except to landfill.

To-Go Ware Cotton Carrier Sling Bag

Now, it's even easier to take your 2-Tier Stainless Steel Food Carrier with you! Our new cotton sling bags allow you to have a hands-free option for your carrying your lunch. With an adjustable strap and added insulation, this carrier bag is essential accessory to keep you good to go. Plus, it has a pocket to hold your utensil set! So if you are riding your bike or the subway, it makes it that much more convenient. This product is also made by WEAVE, and provides income to Burmese refugee women on the Thai-Burma border. Available in Sage Green or Black.

To-Go Ware Bamboo Utensil Set

This utensil set is a toolkit to help reduce your ecological footprint and keep you connected to the world. Enjoy eating with organic utensils made of bamboo, which is highly durable and can be grown and harvested sustainably. "Throwaway" plastic cutlery consists of petrochemicals harmful to the environment, as well as contributing to wasteful habits that feed the landfill rather than nourishing our lives. In addition, the holder itself has been produced by WEAVE, a women's cooperative on the Thai-Burma border. By purchasing this utensil set, you will have contributed to their advancement and empowerment, and made a positive impact to global community.

Eve Organics Mineral Foundations

Eve Organics Mineral Makeup foundations are light and silky. All foundations contain either or both zinc oxide and titanium dioxide. Both have inherent sun protection factors and anti-inflammatory properties. When applied, foundations reflect light, resulting in a dewy appearance. 9g.

Available Shades:

Light Olive - This foundation is great for light olive skinned women with Mediterranean or Latin backgrounds.

Light Neutral - This foundation is for women with very fair skin.

Medium Golden - This foundation is for medium complexions with a yellow undertone. Great for Latinas, Southeast Asians, Native Americans, or light skinned African-American women.

Medium Tan - This foundation is for medium caucasian skin with a red undertone or is tan either from the sun or tanning booth. It leans toward the red tones, but has a warm bronze base.

Dark Warm - This foundation suits classic medium/dark complexions with red undertones. It is one of our best-selling foundations for African-American women

Medium Dark Golden - This foundation has a yellow undertone for light African-American women with "caramel" colored complexion. It is also excellent for Indian, Malaysian, Latina and Thai women.

Eve Organics Setting Powders

Eve Organics setting powders are a silky blend of the lightest minerals and a small amount of oil absorbing clay. Applied after foundation, setting powders add a smooth, matte, "finished" touch to your look. These powders can also be used as "face powders" instead of foundation for very light coverage. 5g.

Tinted

Invisible

Eve Organics Coverage Concealers

Eve Organics' concealers are not necessarily required to be used with the mineral foundations. The concealers have a heavier, creamier texture for use with blemishes and layering for a heavier coverage.

Some of the foundation colors don't translate that well as a concealer powder, so we have those colors available in concealer pencils. The pencils are also handmade with the same care in the formulation of ingredients. Container 3g, Stick 5g.

Eve Organics Brushes

The Kabuki brush is perfect for a preferred heavier foundation coverage.

The Handi Flat Top brush is perfect for all foundation, bronzer and all over color applications.

The Thin Liner brush is perfect for eyeliner. Just mix a couple of drops of water with some minerals to make a paste and apply for beautiful dramatic opaque eyeliner.

The Wet/Dry Eyeshadow brush is self-titled. Use it with dry mineral shadow or mix water with minerals to make a paste and apply a more dramatic deep color (mattes) or foiled reflective color (shimmers).

The Ultimate Concealer brush is used to concentrate mineral concealers on a focused area for corrections.

The Angled Blender brush is used to softly blend everything from eyeshadow to blush.

The tapered cheek brush is smaller than foundation brushes; it is the perfect size for blushes and bronzers.
